#### \* Entrance permission before arriving in Japan

“Entrance permission before arriving in Japan” is the system that enables examinees to gain entrance permission by undergoing the admission selection for universities or other institutes in Japan without leaving their home country (p 10).

List of universities, junior colleges and graduate schools that use the EJU to offer pre-arrival admission:

 [http://www.jasso.go.jp/examination/efjuafis\\_baij.html](http://www.jasso.go.jp/examination/efjuafis_baij.html)

Contact schools directly for further details.

### *The number of schools that gives entrance permission before arriving in Japan by utilizing EJU* (As of March, 2005)

	National	Local public	Private	Total
Universities	12	0	34	46
Junior colleges	0	0	10	10
